HOME TEAM WINS
ANOTHER PAIR OF
WEEK-END GAMES

Defeats Shelburne Falls and
North Pownal Nines

SATURDAY CLASH CLOSE

Game with North Pownal Made Spectacular by Batting Rally in Eighth Inning.

Bennington won Saturday's game from Shelburne Falls at the Allen A. field, by the close margin of 5 to 4. The visitors were lucky enough to secure more hits than the locals, but timely hitting in the pinches, put the local team in the lead.

Dockum, who pitched for the local nine, was bumped for nine bingles, one of them being a two-bagger. Nevertheless, the "spit ball" flinger was right there in the pinches and his smoke ball had the visiting nine guessing.

Reel was chosen to do the twirling for Shelburne Falls and his first inning on the hillcock, was a rather fatal one. He put all kinds of twists and slants on the ball, but the locals seemed to take a liking to his delivery and three runs were sent across the rubber against him in this inning. B. Burns the first up, grounded out to third. Parkerson drove a nice little "texas leaguer" over short. Greenwood was walked and this sent Parkerson to second. This brought Miner to bat and also the fans to their feet. Reel sent the ball with all his steam towards the rubber and in turn Miner sent the ball over the center fielder for a double scoring Parkerson and "Polly" stopped at third. Scott fled out scoring Greenwood and Miner. Barton ended the inning with a pop fly.

The local team touched off the fireworks again in the fourth, when they chalked up two more runs. Barton sent the ball to right field and stretched his cinder path record and landed on second. J. Burns singled to left and Barton went to third. Burke the next fanned the air and Dockum fled out to Reel. B. Burns hit one of Reel's slants for a double scoring J. Burns and Barton. Parkerson was out at first on a grounder to third.

The visitors scored one lonely run in each half of the first, fourth, fifth and eighth innings, but one run in each of these innings were their best efforts off Dockum.

Bennington kept up its winning streak by administering a defeat to North Pownal, at the Allen A. field on Sunday, to the tune of 9 to 4. The visiting nine was supposed to be made up of some "peppery" players but the loyal rooters from North Pownal saw their team go down to defeat. They also saw how J. Burns held the visitors scoreless until the eighth inning. And they also saw their only hopes of a score, when in the eighth, they scored four runs.

J. Burns, who was selected to do the twirling for the locals, was opposed by Baker. Burns was rather inclined to be erratic on the start, but from then on, he twirled like a demon. Baker pitched a good brand of ball, but he received better support, the game would have been a thriller. Baker was nipped for 15 hits, Scott was the heavy hitter of the afternoon, four bingles to his credit.

North Pownal had a grand reception in the eighth, when they sent four runs across the plate. Two of their hits in this inning were circuit clouts.

SMALL BOY IN HOSPITAL

Alone Survives After Large Car
Crashes at Foot of Steep Bank.

Tarrytown, Sept. 13.—Seven persons were killed and one seriously injured early yesterday when an automobile in which they were riding, crashed through a railing during a thunderstorm and fell twenty feet to the New York Central Railroad tracks at Dobbs Ferry.

The dead, all of whom lived in New York city, are:
Dr. George H. McGuire, 58, a physician; Mrs. Florence McGuire, 42, his wife; George H. McGuire, Jr., 16, son; Mary McGuire, 14, daughter; John J. Hawley, 53, building inspector; Mrs. Anna Hawley, 52, his wife; Edward Mulrooney, 15, son of Police Lieutenant Edward Mulrooney.

Francis McGuire, 12, the only survivor, received a broken leg. He was taken to a hospital in Dobbs Ferry. The members of the party were returning to New York from Orange Lake, near Newburgh. Dr. McGuire was driving the car. A terrific thunder storm broke as they were passing through Dobbs Ferry, and it is believed the physician became confused. Instead of turning into the Broadway highway, he turned down a road leading toward the Hudson river and drove the car through an iron fence guarding the bridge across the railroad tracks.

The occupants were panned beneath the car which overturned in its fall.

PAULSON—ELLY

Bennington Young Man Takes Bride
from Buffalo, N. Y.

The following clipping was taken from a Buffalo (N. Y.) paper:
"The marriage of Miss Rozella Gertrude Ely, daughter of Mr. and Mrs. E. E. Ely, 187 Saranac Ave., Buffalo, N. Y., to Karl G. Paulson of Bennington, Vt., was solemnized Friday evening, September 3rd at 8 o'clock at the home of the bride's parents, Rev. E. Herbert Dutton, former pastor of the 4th Ave. Baptist church of New York city, performing the ceremony."

"The bride, who was given in marriage by her father, was gowned in white crepe de chine and carried bridal roses. Miss Mae A. Ely, sister of the bride, who was maid of honor, wore pink organdie and carried pink roses. William H. Hollister, a boyhood chum of the groom, was best man. A buffet luncheon for 35 guests was served during the evening. Immediately after the ceremony, Mr. and Mrs. Paulson left for an extensive wedding trip, stopping at Bennington, Vt. New York city and Long Island. "Many beautiful gifts were received from the friends of the bride and groom who wished them success and happiness throughout their married life."

LORD MAYOR EXHAUSTED

Rumor Hunger Strikers in Cork Jail
Are Being Fed Surprisingly Denied.

London, Sept. 13.—Terence MacSwiney, Lord Mayor of Cork, who has been on a hunger strike in Brixton prison since August 12, was in a state of exhaustion and collapse this morning, according to a bulletin issued by the Irish Self-Determination League.

Rumors that the Irish hunger strikers in the Cork jail are being fed surreptitiously is denied in a Dublin dispatch to the Daily Mail.

Mr. MacSwiney has joined with the Lord Mayor's sisters and brothers in an appeal addressed to the American Ambassador and heads of other embassies and legations in London for submission to their respective governments.

The appeal calls attention to the case of Mayor MacSwiney and of the 11 hunger strikers in the Cork jail and expressed hope that the united council of the nations addressed, "will prevent the tragedy now pending and thereby calm the peoples of the world."

COMMISSIONER TAKES
OVER BOSTON BANK

Prudential Trust Company Had Too
Many Bad and Slow Loans.

Boston, Sept. 11.—The Prudential Trust company of this city, with a capital of \$200,000, was taken over by Bank Commissioner Joseph C. Allen yesterday.

The troubles of the bank are not connected in any way with those of other banking institutions recently closed by him the commissioner said. Formally, Bank Commissioner Allen announced only that "under the authority vested in me by law, I hereby take possession of the affairs and business of the Prudential Trust company."

Subsequently, he said that the bank had been subject to steady withdrawal of deposits for some time. "Their loans are not in good condition, and include many bad and slow loans," he added.

The Prudential Trust company showed assets of \$2,979,342 in its trust department, and of \$571,837 in its savings department. In the last regular examination of its accounts made last November, it was a special examination a few days ago, which revealed conditions that caused the bank commissioner to step in, he said.

John H. H. McNamee, president of the Prudential, said he had no statement to make regarding the closing. The bank is on Summer street, in the business section. Its savings department has been patronized to a large extent by department store clerks and office workers.

Miss Adelaide Newton.

The death of this old resident of Bennington occurred in Brattleboro on the 8th of September, and her remains are laid to rest in the cemetery at Old Bennington, where, at the burial service, Rev. Mr. Perry of the Methodist church offered prayer.

Miss Newton was a woman of bright mind and was a successful teacher for many years; while for children, even in her wandering old age, she was ready always to sacrifice herself, and had for them an unflinching charm.

She had many friends among the older residents here, and among those who have helped her and whom she tried to help, who will be glad to join in this slight tribute to her memory.

MANUAL TRAINING TEACHER

Francis M. Morrison of Jersey City
Has Been Engaged.

Francis M. Morrison of Jersey City, N. J., has been engaged as teacher of Manual training and mechanical drawing in the public schools. He commenced his duties this morning. His forenoon will be devoted to the Senior high school and his afternoons to the Junior high school.

Mr. Morrison is a graduate of the Michigan Agricultural college and of the Thomas Normal Training school. He has had about twelve years experience in practical shop work, both wood working and machine shop and sixteen years experience teaching and supervising. During the last three years he taught in Norfolk, Va. Manual training should be one of the strongest departments in the school this year.

Mr. Morrison has a family, but they will remain in Jersey City for the present.

AUTO ACCIDENT FATAL

Myrick Winslow of Springfield, Mass.,
Dies in Hospital.

Burlington, Sept. 10.—A 1914 Cadillac touring car turned turtle just the other side of the B. & N. railroad crossing near Essex Center on the left side of the road between 9 and 10 o'clock Thursday morning. One man, understood to be Myrick Winslow of Springfield, Mass., received injuries from which he died later in the Fanny Allen hospital. The rest of the party were all slightly injured.

The car bore a Vermont license, number 27279, which is given in the 1920 automobile directory as the license number of the car owned by Mike Agoskian of Winoski. The accident resulted from an attempt of the driver of the Cadillac to turn out when he met another car. He went into the ditch and the car turned over twice.

BIG DAY AT RUTLAND

Crowd in Attendance at Fair Estimated
at 25,000.

Rutland, Sept. 9.—After three days of discouragement because of rain, the Rutland fair officials saw the sun shine from cloudless skies today and a crowd conservatively estimated at 25,000 people, coming from Vermont, New York, New Hampshire and Massachusetts made up a throng which probably broke the record for attendance. It was governor's day and Gov. P. W. Clement, Adj. Gen. H. T. Johnson of Montpelier, Major Ray Ernest Smith of Rutland, medical corps, as well as Colonel Gibson of Brattleboro, inspector-instructor for the Vermont National Guard, occupied a box.

As the racing program had been interrupted for three days by a wet track there was a doubling up of the program today. Aeroplane flights by Lieut. Henry Stickney of Bellows Falls and a balloon ascension with parachute drop were features of the program.

Robins.

Robins seem almost always to run along when they want to get anywhere. But now and then they take pretty strong hops that cover the ground much faster. When they run they lift their heads high as though they were very proud indeed to go at such a pace.

Chicago, Sept. 13.—The railroad managers are today receiving back at work the striking switchmen, yardmen and enginemen in the Chicago switch district, following a vote by the men last night to go back to their jobs after being "on vacation" since last March.

The strikers are estimated to number 8000 and will return to work without the granting of their demands for the restoration of seniority rights.

PALMER AFTER RAISIN TRUST

Seeks Dissolution of California Cor-
poration.

Washington, Sept. 11.—Atty. Gen. Palmer announces that, under his instruction, an equity suit under the antitrust law has been filed in the district court of the United States at Los Angeles against the California Raisin Company of Fresno, and others seeking its dissolution as an alleged combination in restraint of trade.

The bill of complaint, it was explained, was brought to prevent the defendants from "further combining and conspiring to monopolize, and monopolizing" in the Fresno district and throughout the United States, "trade and commerce in raisins carried on between Fresno and vicinity and all the states" of the country in alleged violation of the Sherman law. Hearing on the suit has been set for Sept. 30.

Unusual Campaign Expense Account
of Defeated Candidate for Con-
gressman from Missouri.

Washington, Sept. 10.—Here are some of the campaign expenses of G. H. Forre, a defeated Missouri congressional aspirant, which he listed under oath in his expense account filed recently with W. Tyler Page, clerk of the House of Representatives.

"August 1—Postage for 25 letters to influential men in my district, telling that I was trusting to the kindness of the people and the mercy of God to elect me both failed—50 cents.

"August 2—For professional services of a tonsorial artist in shaping up the sandy whiskers of an influential son of Erin—35 cents.

"August 3—One jar 'face creme' to charming brunette for passing out more of my cards—35 cents.

"August 2—For her work and influence among her many friends and admirers, a pair of open-work hose for a pump widow; the less said the better, special—\$1.

July 27—For dress car fare to summer garden where Tony Steever and Congressional Committee held election one night a week previous to legal primary and nominated my opponent for Congress in the Tenth District—14 cents."

SOME QUEER REPORTS

Of Accidents Presented to the Ver-
mont Secretary of State.

Montpelier, Sept. 11.—Only a few accident reports reached the secretary of state's office yesterday, but there was an interesting one from Verene A. Williams that he had some trouble at the Essex fair. The report says that he tried to avoid a team by blowing the horn, that a lady stepped in front of his machine and was rolled on the mud fender, that he finally hit a horse and that he gave what help he could. He learned later that the lady was a Mrs. Sanford. He made a supplemental report, changing the date from the 7th to the 9th of the month.

C. W. Ellsworth of Cambridge reported that he had a mixup and that he finally hit a dog. M. S. Tait of Londonderry reported that while driving his machine the steering gear broke and he tried to stop but saw he was going to hit a tree so he put on all the power and resulting in hitting a rock and breaking his machine; but the four occupants of the car escaped injury. The report of Joseph Eldridge's machine going into Mad river near the Casey bridge has been received at the office. It appears that the driver was trying to avoid a four-horse team. He had time to shut off the power and jump. The drop is about 30 feet directly down over rocks.
